

# Celebrate Christmas in style with Campari

**W**ITH its festive red colour Campari is an ideal drink to be seen sipping in style this Christmas. The exotic blend of herbs and spice is a secret family recipe that has been kept under lock and key in Italy since 1862. Its unique flavour has always been linked with high quality and good taste. Fashionable Campari can be enjoyed with a variety of mixers.

#### Campari and Soda

Perfect as a pre-meal aperitif, Campari and Soda could not be easier. Simply pour one part Campari over ice, add one part soda and decorate with a slice of orange.

## Sun it up in LA

It's all very well having the weathermen warn us of an impending heatwave; the sad truth is that no two consecutive days in Britain are even remotely similar in the heat department – making holidays in Bournemouth as reckless as a Christopher Reeve riding lesson. Luckily, there's a chance of a first-class chill-out experience this summer – and it's all thanks to Reef, the alcoholic fruit drink, which has joined forces with California Holidays to offer *FHM* readers the chance to win a holiday for two in LA. With 72 miles of beaches, LA's ocean front has something for everyone – from the surfers in

Malibu, the roller-bladers at Santa Monica, and the muscular men and women at Venice Beach.

The holiday includes return flights from Heathrow and seven nights accommodation at the West Coast Long Beach Hotel. Our winner will also receive Hollywood CityPasses – a new all-in-one ticket offering free admission to eight of LA's top attractions. Five runners-up will also win a monster of a prize: Reef will

bring a taste of LA to their doorstep in the shape of the awesome Reefuelling Station, which will pull up outside the winners' front door. This huge American recreation vehicle – with a bar, chill-out zone and state-of-the-art Clarion music system – will be theirs for the night with lashings of Reef goodies, a driver and a gaggle of lovely ladies serving Reef to each winner and a dozen of his mates.
